What happens next?

You will fill this out so I have a start, then you will send me reference photos however you want. Usually, folks put a bunch of images in a drop box folder and share with me. Or you can just send them through messenger or email. I will create a file of all your reference photos.

I will put together some preliminary compositional sketches and send you a formal agreement. When you sign off on it and send me 1/2 the payment I will go to work. Final payment is due upon completion. I can also arrange a payment plan if you like.

Thank You for your interest in my work.
